

## ROTARY CLUB OF ADELAIDE PARKS NEWSLETTER

### Meeting 1745 4th September 2019

14 Adelaide Parks Rotarians attended this meeting together with Guest Rotaracter Zviko Masiwa from Adelaide City Rotaract Club.

Vice President Natasha welcomed all to the meeting. She then told the club that the 2019-2020 District Directory would be available soon. The Rotary Child Protection Policy now only involves a single person from each club being the responsible officer.

Raffle was introduced by Keith with the prize of a bottle of Shiraz.

Kathy reported that the recent Bunnings Sausage sizzle raised a net profit of \$1026. Again various rosters were circulated. Both Scott and Alan Logue gave short reports.

David Wells explained how our club website needs to be updated and Rotaracter Zviko gave useful comments on how it should be revamped to attract younger people's interest. General discussion about the website took place.

Raffle was won by Gerry.

Natasha thanked all for their attendance and Sergeant George closed the meeting at 7.55pm
